**Registration:** [via online form](#) by the 30<sup>th</sup> May 2023

### Objectives:

- Informal discussions between NFPs and other experts to analyze and discuss IPBES documents that will be reviewed during IPBES10 (the review of the IAS SPM will be the focus of NFP dialogues at the end of July so this meeting focus on discussions around the rest of the documents by the stakeholder community);
- Promote stakeholders' engagement in IPBES' work;
- Support networking and exchange of best practices at pan-European level;
- Strengthen collaboration on biodiversity research at the pan-European level, including Central Asia.

### Expected outputs:

- Better understanding of the IPBES processes and opportunities, including links with other processes;
- Shared experience and strategies on contributing to the IPBES work;
- Comments on the values and sustainable use assessment factsheets to be submitted to IPBES;
- Comments on the IPBES work programme to be submitted to IPBES;
- Discussing the Nature Futures Framework as a tool for decision making;
- Discussing the IPBES task force work plans.
